

## Passages membership form

Passages requires a group of volunteers to provide their creativity and abilities to assist the Passages organization wherever needed – mentoring; case management; teaching; social activities; public events; fundraising; cooking; etc. Passages has a very small staff and primarily functions because of its volunteer organization. Your help is tremendously valuable in helping to empower women toward a positive life change.

Once you become a Passages volunteer, you will be kept apprised of the various activities and happenings at Passages. Feel free to volunteer for anything that peaks your interest!
